

## Beyond the clouds

*“Haruto looks at the birds and smiles. He opens his arms wide and imagines flying with them from tree to tree, hovering over the entire earth and diving upside down into the sky.”*

## Activity

**At the museum:** It is important to have dreams, wonderful projects to carry out. This is what keeps us alive, what makes us tick. Draw your craziest dream here!

**At home:** Turn a piece of paper into a flying bird. Follow the instructions inside the document. All you need is a square sheet of paper (15 x 15 cm), a strip of paper (5 x 15 cm) and a piece of tape. Have fun!
